

Adults' sizing

EUR	6	6,5	7	7,5	8	8,5	9	9,5	10	10,5	11
Circumference (cm)	17,5	18	19	20,5	22	23	24	26	27	27,5	28,5

To find the correct size, you need a measuring tape. Place it loosely around your hand at the widest point (excluding the thumb). If you do not have a measuring tape at hand, a thread is sufficient. Place the thread around your hand and then measure with the help of a ruler.

Children's sizing

EUR	1	2	3	4	5
Age (Y = years)	1-2 Y	3-4 Y	5-6 Y	7-8 Y	9-10 Y
Circumference (cm)	12	13	14	15	16

It is difficult to generalise children's sizes.
Therefore we only offer approximate values with this table.
